CHAPTER 6

THE PROPHECY OF DANIEL

Gematria of the pure language of God has now been shown to reveal the truth of the origin of man, and what it means for man to have received the breath of life. The words associated with sentences, using root words in Hebrew to compose each sentence, consistently reveal that man was first created like all other creatures, and was without a spirit until the time God completed His plan for the creation of a physical being with which He could commune, by instilling a spirit within the flesh of man. There was a beginning for man, and God has ordained there shall be an end. The spirit given to man imparted the knowledge of good and evil so that mankind might be able to control the animal instincts which are an abomination to God. From the very beginning, however, man has turned away from God in disobedience to His laws. In both the Old and New Testaments a time of judgment is prophesied.

Contemplation of the end times was never a concern to me until I received the revelation pertaining to the use of the numerical value of words in Scripture. From the onset of the inspiration regarding gematria there was an intense feeling arising within me that I was being given the revelation in order to prove the absolute truth of the Bible to those who do not believe. It was not until after I finished writing the first book related to numbers that consideration of end time prophecy became an unexplained compulsion. I had been drawn to the Book of Daniel within the first days of the revelation in February, 2008, and the Spirit guided me back to Daniel's vision of the end in July of the same year.

The last few verses in Daniel are very confusing in regard to the time of the end.

⁸*And I heard, but I understood not: then said I, O my Lord, what shall be the end of these things?*

⁹*And he said, Go thy way, Daniel: for **the words are closed up and sealed till the time of the end.***

¹⁰*Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and **none of the wicked shall understand; but the wise shall understand.***

¹¹*And from the time of the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be **a thousand two hundred and ninety days.***

¹²*Blessed is he that waiteth, and cometh to the **thousand three hundred and five and thirty days.***

¹³*But go thou way till the end: for thou **shalt rest, and stand in thy lot at the end of days.***

My initial impression of the days mentioned in this prophecy was that the number of days must be symbolic in some way. After completion of my first book regarding gematria I began to doubt the reality of the revelation because I had used whatever spelling of the words that were necessary to reach a specific numerical value, and knew that this could be construed as manipulation, and therefore invalid. Through the guidance of the Holy Spirit, I then began to use only the root word spellings, as I am illiterate in the languages of the Bible, and had no idea which alternative spelling was appropriate grammatically.

By using only root word spellings I was limited in what words could be used, and a consistency of the methodology was established. With this technique, I discovered that Biblical truth regarding Jesus, and other aspects of Christian doctrine was repeatedly confirmed. I then composed sentences using root words which stated what the Bible says about the end times, and came up with several examples of such sentences having a total gematria value of 1290 or 1335, the number of days mentioned in the vision of Daniel. Some of those findings will now be shown.

In Isaiah there is a verse, which with juggling the words a bit, one of the number of days recorded in Daniel is found.

And it shall come to pass in that day, that the great trumpet shall be blown, and they shall come who are ready to perish in the land of Assyria, and the outcasts in the land of Egypt, and shall worship the Lord in the holy mount at Jerusalem. Isaiah 27: 13.

In the day of the Lord the great trumpet shall blow and I will come = יום יהוה גדול שופר = 9 + 570 + 586 + 43 + 26 + 56 = 1290.

There is a prophetic verse regarding the Day of the Lord in the Book of Zephaniah, which also has words that compute to the same value. *Hold thy peace at the presence of the Lord God: for the day of the Lord is at hand: for the Lord hath prepared a sacrifice, he hath bid his guests.* Zephaniah 1: 7.

The day of the Lord is at hand: it shall be the day the Lord prepares a sacrifice and bids his guests = יום יהוה קרוב יהיה יום יהוה כוון זבח קדש קרא = 301 + 404 + 17 + 76 + 26 + 56 + 20 + 308 + 26 + 56 = 1290.

A verse in the Book of Joel concerning the Day of the Lord has a numerical value equal to the other number of days in the prophecy of Daniel. *The sun shall be turned into darkness, and the moon into blood, before the great and terrible day of the Lord come.* Joel 2: 31.

The sun shall be turned into darkness, and the moon into blood = שמש הפך חשך ירח דם = 44 + 218 + 328 + 105 + 640 = 1335.

Then, two simple statements regarding the end of time reveal the same number.

The end of time, the last day = קץ עת אחרית יום = 56 + 619 + 470 + 190 = 1335.

Secret last day = סור אחרית יום = 56 + 619 + 660 = 1335.

As a result of the gematria evidence regarding the numerical values of 1290 and 1335, I believed that I had found what God had intended for me to discover. The symbolic numbers confirmed the inerrancy of the Bible. Although I thought that the revelation was complete, I continued to have a sense that there was more to be made known, but I did not know how to pursue the matter further. It was at that time that a moment of inspiration came to me. The idea arose that the number of days in the vision of Daniel actually represents the number of years from the prophecy until the time of the end. I then calculated the sum of the two numbers, **1290 + 1335 = 2625**. The prophecy of Daniel was written in the third year of Cyrus: *In the third year of Cyrus king of Persia a thing was revealed unto Daniel, whose name was Beltashazzar; and*

the thing was true, but the time appointed was long... Daniel 10: 1. According to my NIV Study Bible, that was in **539 B.C.**¹ Therefore, the year A.D., considering the total number of days mentioned in the prophecy, and subtracting the number of years B.C. in which the vision occurred is: **2625 – 539 = 2086.**

Despite the mounting gematria evidence which I had come across that confirmed exactly what the Bible claimed concerning Jesus, and other aspects of Christian doctrine, I found it most difficult to believe that I could have been the recipient of a revelation which foretold the year of the end. My faith in God as my Creator and Jesus as my personal Savior had not wavered throughout my life, but I have not always been the person that God wants me to be. I am well aware that I am not worthy of such a calling. Not only am I unworthy, but the Bible states clearly that no man knows the time the Lord will return: *But of that day knoweth no man, no, not the angels of heaven, but my Father only.* Matthew 24: 36. Yet, the Holy Spirit directed me to passages of Scripture and certain words and concepts to use in composing sentences consisting of root words which repeatedly confirmed 2086 as the year of the Day of the Lord, the time of the Last Judgment.

An example of gematria revealing 2086 as the year of the end which came to me early on was the following which uses words from Daniel 12: 11. Although the passage in Daniel speaks of the time which the daily sacrifice will be taken away, and the abomination which makes desolate is set up, the end of time is when the abomination which makes desolate is taken away. Gematria reveals when that will be.

It shall be the time that the continual abomination that maketh desolate is taken away
 = יהיה עת תמיד שקויגן שמם סור = 266 + 380 + 496 + 454 + 470 + 20 = **2086.**

Then, using words from Daniel 12: 12, the following is shown. The one who is blessed, and waits to come in 1335 days is the Lord.

Surely the Lord waiteth and cometh in one thousand three hundred and five and thirty days = אך יהוה חכה נגע אלף שלוש מאה חמש שלושים יום = 56 + 686 + 348 + 46 + 636 + 111 + 123 + 33 + 26 + 21 = **2086.**

The end of time is the final Sabbath when those who are redeemed will have rest as declared in Daniel 12: 13.

Therefore, go thou way till the end be: for thou shalt rest, and stand in thy lot at the end of days, the Sabbath = כן אתה הלך קץ נוח עמד גורל קץ יום שבת = 702 + 56 + 190 + 239 + 114 + 64 + 190 + 55 + 406 + 70 = **2086.**

There is another verse in the Book of Daniel which through gematria confirms that God planned to reveal the time of the end. *And he said, Behold, I shall make thee know what shall be in the last end of the indignation: for at the time appointed the end shall be.* Daniel 8: 19. Using many words from this passage of Scripture the truth is revealed.

Behold, I shall make thee know the last day, the appointed time of the end = הנה ידע את = אחרית יום מועד קץ = 190 + 120 + 56 + 619 + 401 + 84 + 60 = **1530.**

LAST DAY = ἔσχατος ἡμέρα = 1376 + 154 = **1530**.

MAKE PERFECT/BRING TO AN END = τετελειώκεν = **1530**.

When only one word is added to the sentence it then reveals the year of the end.

Behold, certainly I will make thee know in the last days the appointed time of the end = הנה

אך ידע את אחרית יום מועד קץ = 190 + 120 + 56 + 619 + 401 + 84 + 21 + 60 = **1551**.

Two thousand and eighty six = שש אלף שמנים = 600 + 440 + 111 + 400 = **1551**.

From the onset of the revelation I felt that the Holy Spirit was revealing truth to me so that I might warn those who do not believe that a day of judgment is coming. The reality of this purpose is confirmed.

Behold, certainly I will make thee know the end = הנה אך ידע את אחרית = 619 + 401 + 84 + 21 + 60 = **1185**.

MAKE KNOWN = εγνωρισθη = **1185**.

BEWARE = προσεχον = **1185**.

Finally, simply adding the word for “I” to the exact root words found in the original verse we have:

Behold, I will make thee know what shall be in the last end, for at the appointed time the

end shall be = הנה אני ידע את אשר יהיה אחרית פי מועד קץ = 190 + 120 + 30 + 619 + 20 + 501 + 401 + 84 + 61 + 60 = **2086**.

As a result of the guidance and direction of the Holy Spirit, I was led to the discovery of several hundred gematria confirmations of 2086 as the year of the end. All of this occurred in only 3-4 weeks prior to the time I wrote Day of the Lord, my first book which details gematria evidence to indicate 2086 as the year that the Lord will return. Another period of inspiration over a similar duration of time occurred in the fall of 2008, and compelled me to write a second book, The Secret Made Manifest, on the same subject. As soon as I finished the second book concerning end time prophecy, in just 4-5 weeks, the additional gematria findings in the present book were revealed to me.

The Holy Spirit guided me back to the prophecy of Daniel in order to confirm that what I perceived as a revelation concerning the way to interpret Scripture, and specifically the vision of Daniel, was in fact true. The remarkable and incomprehensible perfection of the pure language of God is seen in what was revealed to me. First note the total gematria value of a simple statement of truth related to Daniel’s prophecy.

The number of days in the prophecy: two thousand six hundred twenty five = מספר יום

מספר יום = שש מאה שמנים אלף = 348 + 620 + 46 + 600 + 111 + 400 + 64 + 56 + 380 = **2625**.

Next, it is confirmed by gematria that it was ordained that the days of Daniel’s prophecy would be revealed as years, instead of days, until the end.

It shall come to pass, the days of Daniel's prophecy of the Day of the Lord shall be revealed
= גלה = יהודה נבואה יום יהודה גלה = 38 + 26 + 56 + 64 + 95 + 56 + 20 = 355.
YEAR = שנה = 355.

Two thousand six hundred twenty five shall be the number of years = שנים אלף שש מאה
שנה = עשרים חמש יהיה מכסה שנה = 355 + 125 + 20 + 348 + 620 + 46 + 600 + 111 + 400 = 2625.

Although the phrases "Day of the Lord" and "Last Judgment" are not written in Daniel, the prophecy of the end according to Daniel's vision is consistent with other end time prophecies which commonly use such terms or imply a time of final judgment. Gematria confirms that 2625 days are the number of days prophesied by Daniel until the end.

Daniel prophesied there shall be two thousand six hundred twenty five days until the appointed time of the Day of the Lord = דניאל נבא יהיה שנים אלף שש מאה עשרים
יהיה = עד מועד יום חמש יום = 26 + 56 + 120 + 74 + 56 + 348 + 620 + 46 + 600 + 111 + 400 + 20 + 53 + 95 = 2625.

Two thousand six hundred twenty five days shall be the appointed time of the Day of the Lord in the prophecy of Daniel the prophet = שנים אלף שש מאה עשרים חמש יום יהיה
נביא = מועד יום יהודה נבואה דניאל נביא = 63 + 95 + 64 + 26 + 56 + 120 + 20 + 56 + 348 + 620 + 46 + 600 + 111 + 400 = 2625.

Although Daniel wrote of the number of days until the end, it was God's plan to make known that it is actually the number of years.

The number of years after the prophecy of Daniel the Lord shall return at the Last Judgment Day shall be made known = מספר שנה אחר מבואה דניאל יהודה שוב אחרית
יעד = משפט יום יעד = 84 + 56 + 429 + 619 + 308 + 26 + 95 + 64 + 209 + 355 + 380 = 2625.

It shall be revealed, the number of days written in the prophecy of Daniel shall be the number of years before the coming Last Judgment of nations = גלה מכסה יום כתב
גוי = נבואה דניאל יהיה מכסה שנה טרם בוא אחרית משפט גוי = 19 + 429 + 619 + 9 + 249 + 355 + 125 + 20 + 95 + 64 + 422 + 56 + 125 + 38 = 2625.

The number of years after the prophecy of Daniel the Lord shall come again at the Last Judgment, in the Day of the Lord's wrath = מספר שנה אחר נבואה דניאל יהודה בוא
עברה = עוד אחרית משפט יום יהודה עברה = 277 + 26 + 56 + 429 + 619 + 80 + 9 + 26 + 95 + 64 + 209 + 355 + 380 = 2625.

Perhaps the days mentioned in the prophecy of Daniel are actual days, or possibly they merely represent the fact that a day to God is not the same as a day to man. Gematria seems to indicate that the days are actually years according to man.

The Lord God shall come in two thousand six hundred twenty five years of man = אדני
אדם = יהודה בוא שנים אלף שש מאה עשרים חמש שנה אדם = 45 + 355 + 348 + 620 + 46 + 600 + 111 + 400 + 9 + 26 + 65 = 2625.

Daniel writes that the one that waits and comes in the end is blessed. It is Jesus, the Redeemer who will come to provide the rest of which Daniel also writes: *Blessed is he that waiteth , and cometh to the thousand three hundred and five and thirty days. But go thou way till the end: for thou shalt rest, and stand in thy lot at the end of days.* Daniel 12: 12-13. Gematria reveals that the time of rest will come in 2625 years, not days.

In two thousand six hundred twenty five years it shall be the Day of the Lord and the Redeemer shall come = שנים אלף שש מאה עשרים חמש שנה היח יום יהוה גאל בוא = $9 + 34 + 26 + 56 + 20 + 355 + 348 + 620 + 46 + 600 + 111 + 400 = 2625$.

Two thousand six hundred twenty five years, shall be the day the Lord shall come to redeem = שנים אלף שש מאה עשרים חמש שנה יהיה יום יהוה בוא גאל = $34 + 9 + 26 + 56 + 20 + 355 + 348 + 620 + 46 + 600 + 111 + 400 = 2625$.

Daniel states that he received the vision that led to his prophecy of the end during the third year of Cyrus, king of Persia. Gematria proves this to be true, along with the number of years from the prophecy until the end.

The number of years after the third year of Cyrus, at the appointed time, the Lord shall surely come = מספר שנה אחר שלוש שנה פורש מועד יהוה בוא בוא = $9 + 9 + 26 + 120 + 526 + 355 + 636 + 209 + 355 + 380 = 2625$.

Daniel shall prophesy the number of years after the third year of Cyrus the Lord God shall come again = דניאל נבא מכסה שנה אחר שלוש שנה פורש יהוה אלהים בא יסף = $150 + 9 + 86 + 26 + 526 + 355 + 636 + 209 + 355 + 125 + 53 + 95 = 2625$.

As I have found on many occasions, the year of the end is revealed by numerical values which not only equal the number of the year, but also the numerical value of the words in either Hebrew or Greek for the year. The following are the gematria values for the Hebrew words related to the number of years in question.

Two thousand six hundred twenty five = שנים אלף שש מאה עשרים חמש = $348 + 620 + 46 + 600 + 111 + 400 = 2125$.

Two thousand six hundred twenty five years = שנים אלף שש מאה עשרים חמש שנה = $355 + 348 + 620 + 46 + 600 + 111 + 400 = 2480$.

Gematria confirms in a variety of ways, the number of days mentioned by Daniel is actually the number of years until the end.

It shall come to pass, the two thousand six hundred twenty five days of Daniel's prophecy of the Day of the Lord shall be revealed = יהיה שנים אלף שש מאה עשרים חמש יום דניאל נבואה יום יהוה גלה = $38 + 26 + 56 + 64 + 95 + 56 + 348 + 620 + 46 + 600 + 111 + 400 + 20 = 2480$.

Two thousand six hundred twenty five years = שנים אלף שש מאה עשרים חמש שנה = $355 + 348 + 620 + 46 + 600 + 111 + 400 = 2480$

Two thousand six hundred twenty five days shall be the appointed time in Daniel's prophecy = שנים אלף שש מאה עשרים חמש יום יהיה מועד דניאל נבואה = $64 + 95 +$

$$120 + 20 + 56 + 348 + 620 + 46 + 600 + 111 + 400 = 2480.$$

Two thousand six hundred twenty five years = שנים אלף שש מאה עשרים חמש שנה =
 $355 + 348 + 620 + 46 + 600 + 111 + 400 = 2480$

Two thousand six hundred twenty five days until the Lord shall come in the end = שנים
אלף שש מאה עשרים חמש יום עד יהוה בוא קץ = $190 + 9 + 26 + 74 + 56 + 348 + 620 +$
 $46 + 600 + 111 + 400 = 2480.$

Two thousand six hundred twenty five years = שנים אלף שש מאה עשרים חמש שנה =
 $355 + 348 + 620 + 46 + 600 + 111 + 400 = 2480.$

**The number of days in the prophecy of Daniel shall be the number of years given until the
Last Judgment of sin =** מכסה יום נבואה דניאל היה מכסה שנה עד אחרית משפט חטא =
 $18 + 429 + 619 + 74 + 500 + 355 + 125 + 20 + 95 + 64 + 56 + 125 = 2480.$

Two thousand six hundred twenty five years = שנים אלף שש מאה עשרים חמש שנה =
 $355 + 348 + 620 + 46 + 600 + 111 + 400 = 2480$

**Daniel shall prophesy two thousand six hundred twenty five days in his vision of the
coming Day of the Lord =** דניאל נבא שנים אלף שש מאה עשרים שמש יום מחזה בוא =
יהוה = $26 + 56 + 9 + 60 + 56 + 348 + 620 + 46 + 600 + 111 + 400 + 53 + 95 = 2480.$

Two thousand six hundred twenty five years = שנים אלף שש מאה עשרים חמש שנה =
 $355 + 348 + 620 + 46 + 600 + 111 + 400 = 2480.$

**It shall be the number of years after the prophecy of Daniel until the Lord shall come in the
Day of the Lord's Last Judgment against sin =** יהיה מספר שנה אחר נבואה דניאל עד =
יהוה בוא יום יהוה אחרית משפט על חטא = $18 + 100 + 429 + 619 + 26 + 56 + 9 + 26 +$
 $74 + 95 + 64 + 209 + 355 + 380 + 20 = 2480.$

Two thousand six hundred twenty five years = שנים אלף שש מאה עשרים חמש שנה =
 $355 + 348 + 620 + 46 + 600 + 111 + 400 = 2480.$

The numerical value of words has confirmed that Daniel prophesied 2625 days until the end,
and that the number of days is really the number of years, using both 2625 and 2480 as the total
numerical value for the sentences. It is also proven by the numerical value of the year, that the
time of the end according to Daniel's prophecy is 2086.

**The Lord shall reveal the number of days written in the prophecy of Daniel shall be the
number of years before the Day of the Lord's judgment =** יהוה גלה מכסה יום כתב =
נבואה דניאל היה מכסה שנה טרם יום יהוה משפט = $429 + 26 + 56 + 249 + 355 + 125 +$
 $20 + 95 + 64 + 422 + 56 + 125 + 38 + 26 = 2086.$

This same truth can be shown by referring to the time the Messiah first came. Jesus came to
earth as the Messiah, the Son of God, 539 years after Daniel's prophecy in 539 B.C.; and so He
will return in the end 2086 years after His incarnation.

**The number of years after the Messiah shall come until the Day of the Lord's Judgment in
the end =** מספר שנה אחר משיח בוא עד יום יהוה משפט קץ = $190 + 429 + 26 + 56 +$
 $74 + 9 + 358 + 209 + 355 + 380 = 2086.$

It was ordained by God that the secret of the pure language and the revelation of all truth should occur in 2008, the year I received the revelation. This remains so difficult for me to comprehend, but it is proven by gematria. The year I received the revelation, 2008, is 2547 years after the prophecy of Daniel.

In two thousand five hundred forty seven years, all shall be revealed of the day the Lord shall come = אֵלֶּף חֲמֵשׁ מֵאוֹת אַרְבָּעִים שֶׁבַע שָׁנָה כָּל גְּלוּת יוֹם יְהוּה בּוֹא = 9 + 26 + 56 + 38 + 50 + 355 + 372 + 323 + 46 + 348 + 111 + 400 = **2134**.

Two thousand eight = ΔΙΣΧΙΛΙΟΙ ΟΚΤΩ = 944 + 1190 = **2134**.

PROPHECY = ΠΡΟΦΗΤΕΥΟΥΣΑ = **2134**.

The numerical total for this sentence confirms both the year of the revelation, and the reason. I have been called to proclaim what has been revealed to me such that the prophecy of Daniel is interpreted for everyone. God ordained that 2547 years after Daniel's prophecy, in the year 2008, there was to be a completion of that prophecy, and the year of the end was to be revealed.

Prophecy in two thousand five hundred forty seven years = נבא שָׁנִים אֵלֶּף חֲמֵשׁ מֵאוֹת אַרְבָּעִים שֶׁבַע שָׁנָה = 355 + 372 + 323 + 46 + 348 + 111 + 400 + 53 = **2008**.

It was ordained that the time of the end would be revealed to a Gentile in 2008.

In two thousand five hundred forty seven years, the day the Lord shall come shall be revealed unto the Gentiles = שָׁנִים אֵלֶּף חֲמֵשׁ מֵאוֹת אַרְבָּעִים שֶׁבַע שָׁנָה יוֹם יְהוּה בּוֹא גְלוּת אֵל גּוֹי = 19 + 31 + 38 + 9 + 26 + 56 + 355 + 372 + 323 + 46 + 348 + 111 + 400 = **2134**.

Two thousand eight = ΔΙΣΧΙΛΙΟΙ ΟΚΤΩ = 944 + 1190 = **2134**.

I believe I am the only one to have received a revelation in the year 2008 of the pure language of God and the time of the end. Gematria seems to confirm this thought.

In two thousand five hundred forty seven years, a revelation will come unto one man = שָׁנִים אֵלֶּף חֲמֵשׁ מֵאוֹת אַרְבָּעִים שֶׁבַע שָׁנָה חִזְיוֹן בּוֹא אֵל אֶחָד אָדָם = 45 + 13 + 31 + 9 + 81 + 355 + 372 + 323 + 46 + 348 + 111 + 400 = **2134**.

Two thousand eight = ΔΙΣΧΙΛΙΟΙ ΟΚΤΩ = 944 + 1190 = **2134**.

The next statement declares that only one prophet will proclaim the number of years until the Lord comes again. The gematria total is that for the Hebrew words for 2625 years; the number of years equal to the number of days in the prophecy of Daniel.

Only one prophet shall proclaim the number of years until the Lord shall come again in the great day of the Last Judgment = יְחִיד אֶחָד קָרָא מִסְפָּר שָׁנָה עַד יְהוּה בּוֹא עוֹד גְּדוּלַת יוֹם אַחֲרִית מִשְׁפָּט = 429 + 619 + 56 + 43 + 80 + 9 + 26 + 74 + 355 + 380 + 301 + 63 + 13 + 32 = **2480**.

Two thousand six hundred twenty five years = שָׁנִים אֵלֶּף שֵׁשׁ מֵאוֹת עֶשְׂרִים חֲמֵשׁ שָׁנָה = 355 + 348 + 620 + 46 + 600 + 111 + 400 = **2480**.

During the time which I was being guided by the Holy Spirit as to what Scripture to evaluate and what words to use in the composition of sentences to describe the end times or the revelation which I received, I was inspired to use the phonetic spelling of my last name in Hebrew in

sentences related to the revelation. The spelling I used was the letters for “k” and “b” without a vowel as is customary in Hebrew: כב with a value of 22. Whether or not this is correct, I do not know for certain, but it served as a message to me from the Spirit as I arrived at numerous gematria confirmations of the revelation, such as those that will now be shown. Is the one prophet spoken of in the last gematria example that is to proclaim the number of years until the Lord comes again, Daniel, who wrote of the 1290 and 1335 days, or is it one man called by God to interpret Daniel’s prophecy? Let the reader be the judge.

Only one man shall understand the number of days in the prophecy of Daniel shall be the number of years until = יהייד אדם בין מספר יום נבואה דניאל היה מספר שנה = $74 + 355 + 380 + 20 + 95 + 64 + 56 + 380 + 62 + 45 + 13 + 32 = 1576$.

LAST/THE END = εσχατου = **1576**.

Only a man called Cobb shall be able to interpret the number of days = יהייד אדם קרא = $56 + 380 + 680 + 60 + 22 + 22 + 301 + 45 + 32 = 1576$.

LAST/THE END = εσχατου = **1576**.

Only a man called Cobb shall be able to interpret the days of Daniel’s prophecy shall be years = יהייד אדם קרא כב יכל פתר יום נבואה היה שנה = $355 + 20 + 64 + 95 + 56 + 680 + 60 + 22 + 301 + 45 + 32 = 1730$.

INTERPRETATION = επιλυσεως = **1730**.

Thus saith the Lord God, a man called Cobb shall be able to interpret Daniel’s prophecy of the Day of the Lord = כה אמר יהוה אלהים קרא כב יכל פתר דנאיל נבואה יום יהוה = $26 + 56 + 64 + 95 + 680 + 60 + 22 + 301 + 86 + 26 + 241 + 25 = 1727$.

INTERPRET = διερμηνευετω = **1727**. (The only word of this value.)

Thus saith the Lord God, a man called Cobb shall be able to interpret Daniel’s prophecy of the end = כה אמר יהוה אלהים אדם קרא כב יכל פתר דנאיל נבואה קץ = $190 + 64 + 95 + 680 + 60 + 22 + 301 + 45 + 86 + 26 + 241 + 25 = 1835$.

BE ABLE = ισχυοντες = **1835**.

END/BRING TO AN END = συντελων = **1835**.

Two thousand six hundred twenty five years = שנים אלף נש מאה עשרים חמש שנה =
355 + 348 + 620 + 46 + 600 + 111 + 400 = **2480**.

It shall come to pass, one man shall prophesy in two thousand five hundred forty seven years = יהיה אחד אדם נבא שנים אלף חמש מאה ארבעים שבע שנה = 355 + 372 + 323 + 46 + 348 + 111 + 400 + 53 + 45 + 13 + 20 = **2086**.

Even though this is the third book I have written in less than one year proclaiming what has been revealed to me concerning the Word of God, and the time of the end, I continue to be reluctant to call myself a prophet. I am unworthy of such a designation, and prefer to consider myself merely a man of no particular authority or standing who has been chosen by God for reasons only He knows to make known that what the Bible says is true concerning the person of Jesus, and the reality of a final judgment. Secondly, because I prayed for enlightenment due to my concern for the conflict between faith and science, God has given me the proof I was seeking to make it clear that there is no need for such a conflict. Certainly, I am not an author of any consequence, and I do not know how God will use what I have written, but I pray that it will help fulfill God's plan in giving the pure language which reveals truth, so that before the Day of the Lord's anger all will call upon the name of the Lord, and serve Him with one consent.
